General Guidelines for Diet/Foods according to TCM

1. use rice, oats, buckwheat as main grains
2. small portions of meat (chicken, turkey), fish (e.g. salmon, trout, tuna, white fish) and
   seafoods (e.g. mussels).
3. eat foods of various colors and tastes
   a. whole fruits (e.g. apples, apricots, cherries, grapes, blackberries, blueberries, pineapples, lemons, bananas, peaches, plums)
   b. vegetables, preferably lightly cooked e.g. green (mustard green, kale, Swiss chard, spinach), white (mushrooms, cauliflower), yellow (peppers, corn, potatoes), red (beets, red pepper), orange (carrots, pumpkins, sweet potatoes)
   c. beans (e.g. black beans, soybeans, lentils)
   d. nuts and seeds (walnuts, black sesame seeds)
4. use small amounts but a variety of spices e.g. ginger, garlic, white/black pepper, rosemary, basil.
5. Avoid sweets (including concentrated fruit juices), sugars, alcohol, caffeine
6. do not eat cold, raw food or drink cold fluids
7. avoid processed foods and refined flour.
8. Do not overeat, do eat frequent but small meals/snacks.
